

Hokitika Gymnastics Club

Strategic Plan 2026–2028

Vision

To provide a welcoming, safe and supportive environment where young people in Hokitika can develop skills, confidence and enjoyment through gymnastics.

Hokitika Gymnastics Club plays an important role in supporting the wellbeing, confidence and development of young people within the Hokitika community by providing opportunities to participate in gymnastics in a positive and inclusive environment.

Strategic Priorities

Participation and Athlete Development

Maintain strong participation in recreational and competitive gymnastics programmes while supporting gymnasts to develop skills and confidence.

Coaching and Volunteer Development

Support and grow the club's coaching and volunteer base to ensure the long-term sustainability of the club.

Financial Sustainability

Ensure the club operates in a financially responsible and sustainable way through appropriate fees, fundraising and responsible financial management.

Events and Community Engagement

Deliver quality events and maintain strong connections within the gymnastics community, including hosting the annual Hokitika Gymnastics Competition.

Governance and Club Management

Maintain strong governance, clear financial oversight and effective committee leadership to support the ongoing success of the club.

Facilities and Equipment

Maintain safe and appropriate gymnastics equipment and facilities, and plan for future upgrades and replacements as needed.

Community Access and Inclusion

Support opportunities for children and young people in the Hokitika community to participate in gymnastics regardless of financial or personal barriers.

2026 Goals

For 2026 the committee will focus on:

- Maintaining strong participation in club gymnastics programmes
 - Supporting gymnasts attending regional competitions
 - Continuing successful fundraising initiatives
 - Supporting the development of coaches and volunteers
 - Delivering a successful Hokitika Gymnastics Competition
 - Reviewing equipment and facility needs for future planning
-

This strategic plan provides direction for the club over the next three years. The committee will review progress annually and set goals each year that align with these priorities.

Date Approved: 15 April 2026

Next Review: 2027
